PRELIMINARY

This contract governs the general and the particular conditions of Visa International Assistance program issued by Dubai National Insurance Company.

PART 1. DEFINITION

Pre-Existing Condition means any medical condition in respect of which the User has a chronic pathology which developed over the time without being hospitalized or even diagnosed or any medical condition that has been diagnosed or treated by a medical practitioner including prescribed drugs prior to the first day the user is included in the program.

Serious Medical Condition means a condition, which in the opinion of the servicing company constitutes a serious medical emergency requiring urgent remedial treatment to avoid death or serious impairment to the User's immediate or long-term health prospects. The seriousness of the medical condition will be judged within the context of the User's geographical location, the nature of the medical emergency and the local availability of appropriate medical care or facilities.

Insurance Company means Dubai National Insurance Company.

Servicing Company means April Assistance

Services means the medical and travel assistance to be provided by the servicing company.

Usual Country of Residence means Country of the User permanent home address, as stated in the policy.

User means an individual who is covered under an insurance policy issued by Dubai National Insurance Company.

Common Carrier: Refers to different means of public transportation methods used such as: plane, train, taxi, bus.

Cover dates: Starts the first day the user enters the UAE as stamped on the passport, subject to informing the Insurance Company, and run for the same duration as the originally policy period.

General Conditions for Covid-19 cover:

This policy will cover the user for reasonable usual and customary (UCR) medical costs and expenses which may be incurred consequent to the user's becoming infected with an agent of an epidemic/pandemic disease, while this policy is in force, but only in respect of In-hospital confinement provided that:

1. For the purpose of this clause, Epidemic/Pandemic disease shall be defined as a general and widespread sudden outbreak of an acute and severe infectious disease caused by a Defined infectious disease pathogen (including all types of viruses, bacteria,...), that affects simultaneously numerous individuals all over the territory of destination country and that is officially declared as a new, sudden and acute epidemic/pandemic disease exclusively by the World Health Organization.

2. Usual, reasonable and customary (UCR) is defined as treatment consistent with generally accepted standards of medical practice, procedures, and surgeries in the destination country, in accordance with the Ministry of Health and the National Social Security guidelines for

normal, usual & customary procedure and/or standard health sector practice.

3. In Hospital confinement refers to any treatment that cannot be undergone under the Out-of-Hospital services and is recommended by a recognized treating physician. Such confinement must be medically indicated by the treating Physician to diagnose or treat an Epidemic/Pandemic disease covered under this Policy.

4. ICU/Severe: these cases need admission to ICU with intubation and respirator, and the average length of stay is 25 days.

5. Step Down/Moderate Cases: these cases need admission to intensive care with isolation, but no intubation and no respirator. Usually it needs 14 days average length of stay.

6. Ward/ Mild cases: if admitted to hospital, needs isolation with an average length of stay of 2 days for any new policies issued by the Insurance Company for the new Policyholder and/or Insured

The "medical expenses" benefits provided under our plan can be claimed if COVID-19 is suspected or detected. In this particular context, "experimental" treatments, meaning medically-prescribed treatments being tested by doctors to treat this disease, will of course be covered as no cure has yet been found. This also applies to enforced quarantine in hospital.

The cover is granted:

- if the person got infected by corona virus during his stay at the stated country
- The person should present PCR negative test upon arrival to the airport.

PART 2. GEOGRAPHICAL SCOPE OF SERVICES

2.1. **The geographical scope of services and coverage is limited only to outside the Usual Country of Residence; all treatments for a covered case are not covered in the user's Usual Country of Residence. After the policy expires, all follow up treatments and investigations related to a covered case, are not covered during the user's stay outside or inside his Usual Country of Residence.**

2.2. The Services provided by the servicing company under this Agreement are rendered worldwide. The servicing company shall use its best endeavors to provide the Services but any help and intervention depends upon, and is subject to local availability and has to remain within the scope of national and international law and regulations and intervention depends on the servicing company obtaining the necessary authorizations issued by the various authorities concerned.

The servicing company shall not be required to provide Services to the User/s, who in the sole opinion of the servicing company is located in areas which represent war risks, political or other conditions such as to make such Services impossible or reasonably impracticable.

PART 3. SCOPE OF SERVICES

- The servicing company shall make available operation

coordinators answering in different languages for the Users by telephone at its fully-manned **non free call alarm centre** in France 24 hours a day, 7 days a week.

- When the servicing company has the information immediately available, the servicing company shall provide the Services, as appropriate, to the User while the User is on the telephone. In all other cases, the servicing company will provide the information to the User by the quickest possible means.
- The servicing company shall, subject to the terms and conditions as defined hereunder, provide the following Services to a User calling the servicing company:

A- Medical Services & Benefits

i. Guarantee of medical expenses incurred during hospitalization

In the event of sudden illness or injury of the adherent occurring outside the usual country of residence, user has to call the assistance party prior to his admission, The Servicing Company will guarantee the direct payment subject to any deductible if any for cases not due to preexisting conditions as per the usual reasonable and customary charges and if cases are within the scope of policy general condition and not excluded as per policy general exclusions up to the maximum limit stated in the schedule of benefits for the treatment of an injury or sickness sustained by the adherent while this policy is in effect for all plans except Family Plan.

a. Inpatient care

An inpatient is defined as a patient who is confined to a hospital and remains hospitalized for over 23 hours.

b. Emergency care

An Emergency is a treatment which may not be delayed due to sudden covered sickness or accident and which requires confinement to a hospital emergency room considering the admission is not due to a preexisting condition.

Deductible:

| Age | Deductible |
|--------------|------------|
| | Amount |
| Up to 12 | Nil |
| Age 13 to 65 | Nil |
| Age 66 to 70 | \$300 |
| Age 71 to 75 | \$1,500 |
| Age 76 to 86 | \$3,000 |

*** The deductible may be waived with the addition of an extra premium for users up to 70 years only and cannot be waived under any circumstances for above this age.**

ii. Arrangement and payment of emergency medical repatriation

The servicing company will arrange for the return of the User to the Home Country or Usual Country of Residence by air and/or surface transportation following an emergency medical evacuation where the User is evacuated to a place outside the Home Country or Usual Country of Residence for in-hospital treatment. The servicing company Underwriters shall pay for the expenses necessarily and unavoidably incurred in the services so arranged by The Servicing Company.

The servicing company reserves the right to decide the means or method by which such repatriation will be carried out having regard to all the assessed facts and

circumstances of which the servicing company is aware at the relevant time.

iii. Arrangement and payment of transportation of mortal remains

The servicing company will arrange for transporting the User's mortal remains from the place of death to the Home Country and the servicing company Underwriters will pay for all expenses reasonably and unavoidably incurred in the air and/or surface transportation so arranged by the servicing company or alternatively pay the cost of burial at the place of death as approved by The Servicing Company.

iv. Quarantine Expenses

If the insured, after a positive PCR test, was sent to compulsory quarantine while the policy is in force, a fixed amount of cash will be provided to the insured as stated in the schedule of benefits for each complete 24 hours of quarantine up to a maximum of 14 days. The amount is paid on top of any of the insured's existing medical benefits. It is totally up to the insured to decide how to best spend the amount.

No benefits will be paid once the insured has left the quarantine outside his usual country of residence and if the treatment of the illness is not a direct or indirect consequence of Covid-19 disease.

B- Medical Assistance

i. Telephone medical advice

The servicing company will arrange for the provision of medical advice to the User over the telephone.

ii. Arrangement of hospital admission

If the medical condition of the User is of such gravity as to require hospitalization, the servicing company will assist such User in the hospital admission.

iii. Monitoring of medical condition during and after hospitalization

The servicing company will monitor the User's medical condition during and after hospitalization, subject to any and all obligations in respect of confidentiality and relevant authorization.

iv. Medical translation service

The servicing company will arrange for the provision of medical translation to the User over the telephone. Where the servicing company uses an external service provider to provide the translation service, the quality of the translator cannot be guaranteed. The Servicing Company will however exercise reasonable care and diligence in selecting such service providers.

v. Delivery of essential medicine

Upon request from the User, the servicing company will arrange to deliver to the User essential medicine, drugs and medical supplies that are necessary for a User's care and/or treatment but which are not available at the User's location. The servicing company will not pay for the costs of such medicine, drugs or medical supplies and any delivery costs thereof.

C- Travel Assistance

i. Loss of Passport

The Insurance Company will reimburse the insured for the replacement cost of the country of residence' passport (of citizenship country) following the accidental and unintentional loss or damage during the insured's trip.

The insurance company extends to reimburse for the additional travelling and/or accommodation expenses incurred to the insured, in the event of the accidental loss of passport (of citizenship country) during the insured trip in such case the travelling class and /or room type for the accommodation shall not be better than the original class and/or room type already reserved.

Exclusion Applicable:

- Any loss not reported to the local police, embassy, consulate, issuing authority, and/ or public common carrier within twenty four (24) hours from the occurrence of the incident.
- Any fine or penalties incurred due to non-replacement or late replacement of the passport by the insured.
